

Cooling Tower Components

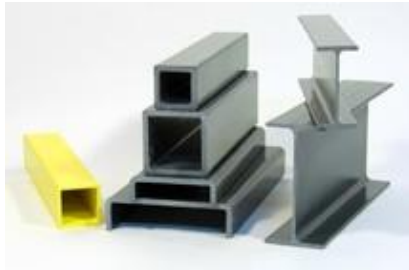

Replacement Parts and Spares for All Makes & Models

Midwest Cooling Towers offers you a large selection of high quality OEM replacement parts which are compatible with virtually all models and manufacturers of cooling towers. In fact, we manufacture and supply components to over 85 other cooling tower companies and

contractors in the U.S. and more than 110 around the world.

Our cooling tower components also offer you a high quality, reliable, low-cost alternative to expensive original equipment parts. Our large buying power results in costs savings that are passed on directly to you.

Count on Midwest Cooling Towers for all your cooling towers parts and components needs:
